

BBNZ Premiership and National Tournaments are all about development in every aspect of the game.

- Players get opportunities to play some of the best athletes in their age group, both within their area and around the country.
- Coaches can learn off each other to help further their knowledge.
- Referees learn to work with people outside their area and, through evaluation, can dramatically advance their development.

By having tournaments as a stepping stone at all ages, we are increasing the knowledge, development and overall quality of basketball in New Zealand

## NZSS - Basketball

The winner of the Secondary School Mens National Championship will receive the Doug Harford Memorial Trophy which is presented in memory of an outstanding New Zealand captain who was tragically killed in an accident at a very young age.
