

The New Zealand Basketball Foundation

In 1989 the NZ Basketball Foundation Inc. was formed to raise and establish a substantial investment fund to be used to provide financial assistance for the growth of basketball in New Zealand.

The fund is administered by a small elected Management Committee who will see to the investment of the capital and the disbursement of the income to support basketball projects.

The Management committee is:

Hilary Carr, Peter Crowhen, Pauline Paterson, Bob Bishop, Bill Eldred and BBNZ rep Iain Potter.

The Foundation's current project is to collect and electronically record the History of Basketball in NZ. Initially, we have concentrated on our National Teams. We have a part-time staffer and a small group of volunteers who collect, organise and archive the photos and other items we have and receive.

Income is derived for the Foundation in the following manner:

- a) 1,000 member club where Members pay a \$100 once only payment
- b) Associations pay \$100 per year. With the amalgamation of Associations, we now only have 36 which generate a payment of \$3,600. To progress our project, we invite you to belong to our 1,000 member club at a one off cost of \$100, by completing the following membership form.
