Behaviour at National Championships

We have on occasion seen a range of poor behaviour demonstrated by spectators, coaches and players over the past two years. Disappointingly this has occurred largely at the lower age level tournaments. Consequently, in 2017 BBNZ introduced stricter enforcement of their Internal Regulations.

Detailed below is a link to documentation covering behaviour from 2016 and beyond. It is imperative that this reaches all players, coaches and spectators from within your Association who will be attending the National Championships.
