Online Entry Process for BBNZ Age-Group Tournaments

In 2020, the online entry process for all Basketball NZ age-group representative tournaments was updated. This was done to allow for a new process, *Teams across Associations*, to be implemented.

Why the change?

The new entry process will mean an association will manage just one database within The Huddle. In the past associations have had two separate databases – *association* & *BBNZ Tournaments Club*. Now the Rep Club will be visible within your association database.

Multiple databases caused segmented data, extra administration and the duplication of members. The **association** database will your primary database, comprising all members.

How does it work?

→ Associations notify BBNZ that they're entering a team

Associations will notify the BBNZ Tournament Team of their intention to enter a specific tournament (number of teams, grade, team name etc). BBNZ will create the team in The Huddle and assign them to the specific national tournament.

→ BBNZ creates the rep team and assigns it to the national tournament

BBNZ has created a '[Your Association] BBNZ Reps' club in every association database. Your rep teams will be assigned to this club automatically. This is where you'll be required to add your players into the team. This information will be visible to the BBNZ Tournament team.

The screenshot shows the 'Clubs' tab selected in the navigation menu. The main content area displays 'Clubs in Association' for the 'Lake Taupo BA' association. A table lists the clubs, with 'Lake Taupo BBNZ Reps' highlighted by a red box. The table has columns for Name, Contact, Phone, Email, and Active?.

→ How do players register?

Players must **self-register** into your association database in order to be added to the team.

Every player must be added to your **'BBNZ Reps'** club – this will ensure they appear on the modify team list page. To do this, all players will need to complete the **BBNZ Championships Registration Form (Member to Club)**.

Once players have completed this form they will be entered directly into your **'BBNZ Reps'** club as well as your association membership database.

NB. In the event a player doesn't have an email address to self-register, then a parent/guardian email can be used. Please note, multiple users can be attached to a single address (i.e. multiple children attached to one parent's email address).

→ How do we send the form to players?

- Enter your BBNZ Reps Club (Clubs → List Clubs → [Association] BBNZ Reps)
- Click on Registrations → Registration Forms
- Locate the BBNZ Championships Registration Form. Click on View, copy the URL in the new window that opens and email this to all players
- It is essential that the form is sent out from your BBNZ Reps Club (refer to **level selection** in the image below – this must state **CLUB**)

The screenshot shows the 'THE HUDDLE' web application interface. At the top, there are logos for 'THE HUDDLE' and 'BASKETBALL New Zealand'. Below the logos, there is a navigation bar with a search bar and a 'CLUB' dropdown menu. The main content area displays 'Registration Forms' for 'Lake Taupo BBNZ Reps'. There are three registration forms listed:

Form Name	Member to	Actions
BBNZ 2020 National Registration Form #2 (#74556)	Member to Team	SET PRIMARY View Edit
BBNZ 2020 National Registration Form #3 (#74557)	Member to Club	SET PRIMARY View Edit
BBNZ Championships Registration Form (Member to BBNZ Rep Club) (#92838)	Member to Club	SET PRIMARY View Edit

At the bottom of the list, there is a green button labeled 'Add New Form'.
