### Welcome from Basketball New Zealand

---

Basketball New Zealand welcomes everyone to this national championship. This is the pinnacle basketball event in New Zealand for this age group.

As the numbers playing basketball have grown massively so has the depth of talent and intensity of competition – you are sure to see all this on display. These players are our future Tall Blacks – keep an eye out for what lies ahead.

These national opportunities don't come along very often so make sure you have a great time, make new friends, reconnect with others and enjoy the competition. Basketball is a truly global sport, its getting bigger and better in New Zealand every year so enjoy being part of it.

To everyone - players, coaches, managers, officials, volunteers, parents and other supporters - thank you for your participation, commitment, passion and contribution to this great game.

Best wishes for a successful and enjoyable tournament.

### Sports Chaplaincy New Zealand

---

Sports Chaplaincy New Zealand (SCNZ) is pleased to announce that Basketball New Zealand (BBNZ) has signed a Memorandum of Understanding with SCNZ, ushering in a formal partnership that will see SCNZ increasingly committed to the provision of sports chaplains to help support the mental, emotional and spiritual wellbeing of athletes and staff across BBNZ organisations in New Zealand.

SCNZ already provides pastoral care and wellbeing support through the placement of accredited voluntary sports chaplains with a number of basketball teams and clubs throughout the country, as well as providing emergency pastoral care and traumatic incident support when required. The MoU shows the value that BBNZ places on the value of holistically caring for athletes and administrators, and over the last 10 years SCNZ has developed a strong reputation of providing quality people on-the-ground to deliver such support. Inquiries about sports chaplaincy and the placement of a chaplain within the NZ basketball community can be made through the SCNZ website.
