### Additional Information

If a notifiable event occurs, the Event Manager must take all reasonable steps to ensure that the site where the event occurred is not disturbed until authorised by an inspector. However, this duty does not prevent any of the following actions:

1. To assist an injured person; or
2. To remove/cover a deceased person; or
3. That is essential to make the site safe or to minimise the risk of a further notifiable event; or
4. That is done by, or under the direction of, a constable acting in execution of his or her duties; or
5. For which an inspector or the regulator has given permission

The information below is to assist secondary schools with planning and decision making in the event any region in New Zealand may change alert levels in the lead-up to or during the event:

- If New Zealand is in Alert Level 2 or higher the event is cancelled.
- If a city/town is in Alert Level 2 and the rest of New Zealand is in Alert Level 1 then the event in that city/town is cancelled.
- If New Zealand is in Alert Level 1 the event will proceed in that city/town as scheduled.
- Should the alert level change during the event/regional tournaments, these will be immediately cancelled.
