## 2022 Secondary Schools Central Cup

### Welcome from Basketball New Zealand

---

The Central Cup is always an exciting event for players on the New Zealand basketball calendar – and this event is particularly special for us as it's the first time the School Cups have been able to be held since 2019, due to the impact of Covid on sporting activities across Aotearoa, so it's great to see this particular event back in action in 2022.

It's also a great opportunity to see young basketball stars of the future, as they compete against their peers in a fun and competitive setting. As we see these athletes continuing to grow in terms of talent and intensity, we know it bodes well for our Tall Ferns and Tall Blacks programs – of which many of these players aspire to. So as much as this competition is a chance to enjoy the basketball on offer, it's also an opportunity for BBNZ and others to gauge which athletes are ready to make that next step and represent New Zealand in the black singlet; a huge honour for any aspiring basketball player.

As it's been three long years since we last held this event, we hope that everyone involved has a great time with their peers, enjoy the competitions and puts their best foot forward. Basketball continues to grow in New Zealand as one of its leading sports, and this event plays a role in that continued growth and success.

Thanks must go to everyone involved in the tournament, from the players and coaches to the managers, officials, volunteers, parents and other supporters - your participation, commitment, passion and contribution is vital to this sport and should not be overlooked. Best wishes for a successful and fun Central Cup.
