### Step THREE: THIS IS THE MOST IMPORTANT STEP!

Check your email and verify the email address using blue button at the end of the email – the email may take a few minutes to come through.

Hi, Jay!

You have entered [jay@nz.basketball](mailto:jay@nz.basketball) as the username and contact email for your FIBA 3x3 profile. Consequently, all playing invitations you receive from other 3x3 players will be copied to this email. Further, this email will be shared as your contact information with the 3x3 basketball organisers to whose events you choose to register.

A self-registered and up-to-date FIBA 3x3 profile will ensure that your 3x3 basketball-related information is correct and in your personal control. Hence, in order to complete the profile creation we need you to confirm that you have possession of this email account by clicking the 'verify email' link below.

Note that after creating this new profile it will be possible to merge your past competition history in duplicate profiles to this newly created profile. For more check the [FIBA3x3.com help](#) pages.

### Step FOUR: You now have a confirmed profile

## Congratulations. You now have an active and confirmed FIBA 3x3 profile

Remember to take good care of the password and keep all your contact information up-to-date, as this one profile will be used across all of your 3x3 activity, from playing to organising events.

With this profile you can:

As a player:

- Locate and register to FIBA 3x3 endorsed events around the world
- Find new opponents to play against or new players to team up with
- Win [FIBA 3x3 Individual World Ranking points](#) by playing at FIBA 3x3 endorsed events
- See all your competition history in [one place](#)

As an Organizer:

- Access the freeware [3x3 Event Maker](#), helping you to manage everything in your event, from managing player registrations to calculating competition results
- Create registration, result and live scoring widgets to your own web site
- Promote your events to the [play.fiba3x3.com event directory](#)

For further tips on managing your profile, from merging duplicate profiles to setting up organizer accounts, check out the [fiba3x3.com user support pages](#).

## Player Registration – Played 3x3 Before

If you have played 3x3 before, you probably have a profile already.

Head to <https://play.fiba3x3.com/players> and search your name to check. If you have a confirmed profile, your name will appear on the website

The screenshot shows the 'play' section of the FIBA 3x3 website. At the top, there's a search bar with the text 'SEARCH FOR 3X3 PLAYERS WORLDWIDE'. Below the search bar, there's a search input field containing 'jay x macdonald x' and a search button. The search results show one player: Jay Macdonald, with a world rank of 'N/A' and nationality of 'New Zealand'.

WORLD RANK	PLAYER	NATIONALITY	POINTS
N/A	Jay Macdonald	New Zealand	N/A

If your name does not appear, then you need to create a profile – follow the steps above.
