Withdrawals

BBNZ has introduced the following process to discourage Schools from withdrawing:

- Schools that withdraw their team(s) after the first registration due date or after qualifying for the national championship, will not be guaranteed a place in a tournament the following year. This is in addition to the already outlined financial penalties in the BBNZ Privacy and Returns policy.
- The following year, regardless of whether the registration has been completed by the due date and payment has been made in full, the registration will be placed on the waiting list.

This process is to help Schools ensure they are organised and have registered in the correct tournament.

All teams and players must comply with BBNZ Regulations, as well as School Sport NZ rules, eligibility and regulations. Online Draw and Results

Referees

It is COMPULSORY for teams to provide a referee. If a team fails to provide a referee

On Day 1 of the tournament, your team will be rostered to referee either before or after your team plays.

This roster will be included in the draw closer to the start of the tournament.

Your allocated referee will need to meet with the Technical Commissioner on arrival at the tournament, and they will then work with them to allocate their games for the remainder of the tournament.

Ideally, we would like referees to wear the official referee uniform – black pants and a grey refereeing shirt.

However, we understand some teams will be using team members for the role who may not have this.

Please endeavour to have a grey t-shirt, or at the very least a couple of shirt options to avoid any clash with team uniforms.

A reminder that game fees are not paid, and referees are the responsibility of their respective school.
