Withdrawals

BBNZ has introduced the following process to discourage Schools from withdrawing:

- Schools that withdraw their team(s) after the first registration due date or after qualifying for the national championship, will not be guaranteed a place in a tournament the following year. This is in addition to the already outlined financial penalties in the BBNZ Privacy and Returns policy.
- The following year, regardless of whether the registration has been completed by the due date and payment has been made in full, the registration will be placed on the waiting list.

This process is to help Schools ensure they are organised and have registered in the correct tournament.
