2023 AA Secondary Schools Zone 3

Welcome from Basketball New Zealand

BBNZ extends a warm welcome to everyone attending the AA Zone 3 Secondary School Tournament.

The AA Tournaments are always an exciting event for players on the New Zealand basketball calendar, and it was fantastic to see these events return to action last year following a Covid-enforced break.

It's also a great opportunity to see young basketball stars of the future, as they compete against their peers in a fun and competitive setting. As we see these athletes continuing to grow in terms of talent and intensity, we know it bodes well for our Tall Ferns and Tall Blacks programs – which many of these players aspire to. So as much as this competition is a chance to enjoy the basketball on offer, it's also an opportunity for BBNZ and others to gauge which athletes are ready to make that next step and represent New Zealand in the black singlet, a huge honour for any aspiring basketball player.

We hope that everyone involved has a great time with their peers, enjoy the competitions and puts their best foot forward. Basketball continues to grow in New Zealand as one of its leading sports, and Secondary School Tournament Week plays a role in that continued growth and success.

Thanks must go to everyone involved in this event, from the players and coaches to the managers, officials, volunteers, parents, and other supporters - your participation, commitment, passion, and contribution is vital to this sport and should not be overlooked. Best wishes for a successful and fun at the AA Zone 3 event.
