BASKETBALL NEW ZEALAND

2023 Central Cup

Welcome from Basketball New Zealand

BBNZ extends a warm welcome to everyone attending the Central Cup Secondary School Tournament.

The Regional Cups are always an exciting event for players on the New Zealand basketball calendar, and it was fantastic to see these events return to action last year following a Covid-enforced break.

It's also a great opportunity to see young basketball stars of the future, as they compete against their peers in a fun and competitive setting. As we see these athletes continuing to grow in terms of talent and intensity, we know it bodes well for our Tall Ferns and Tall Blacks programs – which many of these players aspire to. So as much as this competition is a chance to enjoy the basketball on offer, it's also an opportunity for BBNZ and others to gauge which athletes are ready to make that next step and represent New Zealand in the black singlet, a huge honour for any aspiring basketball player.

We hope that everyone involved has a great time with their peers, enjoy the competitions and puts their best foot forward. Basketball continues to grow in New Zealand as one of its leading sports, and Secondary School Tournament Week plays a role in that continued growth and success.

Thanks must go to everyone involved in this event, from the players and coaches to the managers, officials, volunteers, parents, and other supporters - your participation, commitment, passion, and contribution is vital to this sport and should not be overlooked. Best wishes for a successful and fun at the Central Cup event.

BASKETBALL NEW ZEALAND

2023 Central Cup

Welcome from New Plymouth Basketball Association

It is my Privilege, on behalf of the New Plymouth Basketball Association committee to welcome you all to this Secondary Schools tournament here in the city of New Plymouth, in the wonderful province of Taranaki' a place like no other.

We run a tournament like no other, in that we do not ask you or the teams to do any bench duties during the tournament. It is our honor to host you and your teams for this tournament, all we ask is that you enjoy the tournament and encourage all participating to compete to the best of their ability. It is our hope that all competing enjoy the tournament and compete with passion and skill, but most importantly continue to develop their love of the game of basketball. Along with that we hope that you all build new friendships or, renew old ones, we are all here because of our enjoyment of basketball.

I would like to thank all those on the committee that have worked tirelessly behind the scenes to get this tournament set up. The coaches and managers of all the teams, for the time and effort they have put in during the months before this tournament. The Referees, who have put in as much time and effort as those playing and, the administrators who bring this all together. Without all of you contributing, tournaments like this one wouldn't occur.

I hope you all have an enjoyable tournament, take the time to enjoy our city, and at the end of the tournament head home safely with a greater love for the game of basketball.

Tony Eldershaw
