The ceremony will be held shortly after the last grand final or if there are two games being played, to commence at the conclusion of the last game being played. Please check the draw for more details

Withdrawals

BBNZ has introduced the following process to discourage Schools from withdrawing:

- Schools that withdraw their team(s) after the first due date or after qualifying for the national championship will not be guaranteed a place in a tournament the following year. This includes already outlined financial penalties in the BBNZ privacy and returns policy.
- Regardless if the registration has been completed by the due date and payment is made in full in the following year, the registration will be placed on the waiting list.

This process is to help Schools ensure you are organised and have registered in the correct tournament. If your intentions are not to attend the National Championship, your School needs to register into the non-qualifying tournament. The only exception is where a non-qualifying tournament does not go ahead or the attempt to fit you into another non-qualifying tournament was not successful.

Team Roster

Please ensure that all your players are registered with the BBNZ office and are eligible to compete in the tournament. All teams and players must comply with BBNZ Regulations and School Sport NZ rules, eligibility and regulations. Only the maximum of 12 players can participate in the tournament and the final 12 players must be confirmed at the technical meeting. The technical meeting is your last chance to make changes to your playing roster as no changes may be made after this date and time. Any changes must be accompanied by a signed roster form from the principal.

Eligibility

The school principal must verify that all students listed on the team roster are bona-fide fulltime students at the school and their details provided are true and correct as per the MoE ENROL and on official school records. The new to school dates are as per the team roster form:

If you have any questions or wish to discuss this, please contact tournaments@nz.basketball as soon as possible. It is the responsibility of the entering school to acquire appropriate parental/guardian consent for such broadcasts in accordance with school policies.
Note 1	<p>1. A student enrolled at the school <u>within 2 years of the first day of the event</u> is considered NEW TO SCHOOL. Scorebench Duty

The scorebench roster (once completed) can be downloaded from the BBNZ website. All teams will be required to complete their scheduled scorebench duty after their game. Please provide four competent score bench personnel. Every effort will be made to assist teams when able. The Host will cover the opening games each day and other games outlined in the roster. If you have any queries, please contact the Host Association.

Score Sheets

Score sheets will be located at the tournament control desk. Please ensure that all approved players are listed on the first score sheet as player names will be checked against the final roster submitted at the technical meeting. All score sheets can be located at the tournament control desk at least 30 minutes prior to your game for you to check your roster. Please do not remove these from the control desk. Score sheets will be taken to the game by the referee.

Once a team's first game commences, only those players listed on the scoresheet for the first game may participate in the remainder of that tournament as players.

Even though all scoresheets will be preprinted, coaches and managers are required to check your scoresheets to ensure players and their details are correct.

Referees

It is **COMPULSORY** for teams to provide a referee. If a team fails to provide a referee for any of their rostered games, that school will not be able to enter the tournament next year.

A reminder that this rule has been in effect for many years now and is essential to ensure all games are adequately serviced.

On Day 1 of the tournament, your team will be rostered to referee as nearest to your playing time as possible. This roster will be included in the draw closer to the start of the tournament.

Your allocated referee will need to meet with the Technical Commissioner on arrival at the tournament, and they will then work with them to allocate their games for the remainder of the tournament.

Ideally, we would like referees to wear the official referee uniform – black pants and a grey refereeing shirt. However, we understand some teams will be using team members for the role who may not have this. Please endeavour to have a grey t-shirt, or at the very least a couple of shirt options to avoid any clash with team uniforms.

A reminder that game fees are not paid, and referees are the responsibility of their respective school.

For referee education resources, including an online course please check out our website -

matter, the complainant must complete the appropriate form which will be passed onto the nominated Judicial Officer. The Judicial Officer can hear or waive the complaint/dispute.

For more information refer to BBNZ Regulations Book 6 Judicial found at the BBNZ web link

Playing Uniform

- Each team must bring two alternate uniforms to the tournament. Uniform numbers must be 0 or 00 or 1 to 99.
- If your uniforms have different numbers, you will need to make changes to the scoresheet as only one set of numbers may be pre-printed.
- In the event of a clash Team A is to wear their light-coloured uniforms and Team B is to wear their dark-coloured uniforms unless teams can come to a mutual agreement.

Additional Clothing

The following are permitted:

- Shoulder, upper arm, thigh, or lower leg protective equipment if the material is sufficiently padded.
- Compression sleeves of the same dominant colour as the shirts.
- Compression stockings of the same dominant colour as the shorts. If for the upper leg it must end above the knee; if for the lower leg it must end below the knee.
- Please note that t-shirts can not be worn under the player uniform.

Coach and Support Staff Apparel Guideline

With the recent introduction of televised and live streamed games through 'Stuff' and Sky Sport channels, and BBNZ's intent to raise the standard of dress across all events. Coaches, team support staff and athletes are required to be dressed appropriately. Our National/Regional Age Group and Secondary School Tournaments are pinnacle events in our basketball calendar, and as such, we require athletes to wear the appropriate uniforms, and we also expect team management to do the same.

- **What is acceptable apparel?**
Association/School team track suit (sweatsuit) with polo shirt and dress shoes/sneakers. Alternatively, dress slacks and polo shirt, skirt or dress. For championship round games, coaches are welcome to wear 'business' attire if they wish to do so.
- **What apparel is unacceptable?**
Flip flops, sandals, tee-shirts, hats, caps, beanies and head coverings (unless part of cultural/religious dress).
- **In extenuating circumstances – weather conditions?**
In extreme heat (summer) team management can wear Association/School polo shirts and dress shorts as well as sneakers, but no sandals or flip flops.

In cold conditions and in the context of the environment (ie Dunedin and the deep South Island in mid-winter), team management can wear Association/School hoodies and winter jackets/coats and tracksuit. Where there is no heating in the gymnasium, beanies may be worn.

BBNZ's expectations are for all Association's/School's to support the above guidelines. This will also be re-emphasised at the technical meetings. BBNZ tournament staff will aim to reinforce the expectations during the tournament with daily communications to the teams, especially whenever the need arises.

BBNZ would appreciate that these guidelines are provided to team management and adopted for qualifying and other tournaments.

Important Details

They **MUST NOT** approach the bench any other time to check the score sheet or query the scorebench.
- **Rules** - The tournament will use BBNZ Regulations, FIBA Rules and SSNZ Regulations and Eligibility.
