2023 U23 Nationals & D-League

Welcome from Basketball New Zealand

Welcome from Basketball New Zealand

BBNZ extends a warm welcome to everyone attending the Under 23 Nationals and D-League.

Following the success of our 2022 event, we're again working with Harbour Basketball to hold both tournaments under the same roof and at the same time, with the U23's as a men's event and the D-League a women's competition.

Not only does it make good sense to hold these tournaments together at the same time, it's also a great chance for some of New Zealand's brightest young basketball talent to compete with – and against - each other in front of fans; showcasing these talent athletes to the public as basketball continues to soar across Aotearoa.

These tournaments only come around once a year, so we hope that everyone involved has a great time with their peers, enjoy the competitions and puts their best foot forward. And we know tournaments like this wouldn't be possible without the contributions of many people, from the players and coaches to the managers, officials, volunteers, parents, and other supporters. Their participation, commitment and passion is vital to this sport and should not be overlooked, so we ask all athletes continue to treat them with the respect they deserve.

Best wishes for a successful and fun tournament.

2023 U23 Nationals & D-League

Welcome from Harbour Basketball

Welcome to Harbour for all participants in the U23 National Championship and D-League.

We are thrilled to be hosting this event again in 2023 and look forward to some fantastic competition.

We congratulate all participants on their selection and look forward to some fantastic games over the next four days. Play hard and play fair. We know that you will respect the match officials who have very generously given their time to make this event possible.

A shout out to all coaches, managers and team volunteers who are here with their teams. Please let our team at Harbour Basketball know if we can help in any way.

Thank you also to the fantastic team at Eventfinda Stadium. After the flooding in January 2023, you have worked tirelessly to get this amazing venue ready to host the tournament. We could not have hosted this event without your extraordinary efforts.
