## 2024 Secondary Schools 3x3 Regionals - Central

### Welcome from Basketball New Zealand

---

It is my pleasure to welcome you to this year's Secondary Schools 3x3 Central Regionals in Lower Hutt, held during School Sport NZ's summer tournament week.

This change in format - from a single 3x3 Schools National event to three regional events, with the top 12 regional teams advancing to the 3x3 Nationals in April – was much-needed for Aotearoa. Not only does it create a true national 3x3 tournament to help grow the sport, but it also gives schools throughout the country better accessibility at a local level; this has resulted in a huge increase in teams participating from across the motu.

3x3 has grown immensely over the past few years; it is now an Olympic sport and Commonwealth Games sport and is now looked at by athletes as a viable pathway for aspiring basketballers alongside the 5 on 5 basketball setting. These 3x3 Regionals help contribute to the growing popularity of 3x3 Basketball in New Zealand, and helps us develop and identify talent for international events such as the FIBA 3x3 Under 18 World Championships, the Youth Olympics and the FIBA Oceania Under 18 Championships. New Zealand has competed very successfully on the world stage in 3x3 in past years, and we aim to continue with that high standard moving forward.

Have a great time, make new friends, enjoy the occasion, and give it your best – this is a truly global sport and it's getting bigger and better here in New Zealand and around the world every year. To all participants, whether you're an athlete, referee or scoreboard official, or one of the many volunteers helping make this happen - thank you for being part of this exciting event and enjoy!

Yours in basketball,
