BASKETBALL NEW ZEALAND 2024 3X3 SECONDARY SCHOOLS NATIONALS

Welcome from Basketball New Zealand

It is my pleasure to welcome you to this year's Secondary Schools 3x3 Nationals at Ākau Tangi Sports Centre in Wellington.

This change in format - from a single 3x3 Schools Nationals to three regional events, with the top 12 regional teams advancing to this 3x3 Nationals event – has been much-needed for Aotearoa. Not only does it create a true national 3x3 tournament to help grow the sport, it also gives schools throughout the country better accessibility at a local level. This has resulted in a massive increase in teams participating from across the country.

3x3 has grown immensely over the past few years; it is now both an Olympic and Commonwealth Games sport, and is looked at by athletes as a viable pathway for aspiring basketballers alongside the 5 on 5 basketball setting. The 3x3 Nationals helps contribute to the growing popularity of 3x3 Basketball in New Zealand, and also helps us develop and identify talent for international events such as the FIBA 3x3 Under 18 World Championships, the Youth Olympics and the FIBA Oceania Under 18 Championships. New Zealand has competed very successfully on the 3x3 world stage in past years, and we aim to continue with that high standard moving forward.

Have a great time, make new friends and give it your best; this is a truly global sport and it's getting bigger and better here in New Zealand and around the world every year. To all participants - whether you're an athlete, referee, scoreboard official or one of the many volunteers helping to make this event happen – thanks for being part of this exciting event and enjoy!

Yours in basketball
