- Although the NZ Sport Collective Charter is specifically referencing school events, we apply the essence of it to our other youth events too.
- We align with the principles and guidelines of Sport NZ's 'Keep up with the play' and 'Balance is Better' initiatives, positive parental behaviour and support, and will make every effort to align our broadcast messaging to those values.
- Be aware of what you, your team and spectators are posting – please keep it positive
- No public or private streaming as we do not have control of the space and place this goes too, amongst other reasons.
- We want everything to be positive as we all lift the brand of Basketball in NZ
- If you have any questions, please address BBNZ staff before taking opinions or false statements onto public platforms

If you have anything you want to pass onto commentators, like pronunciation or facts about players then please do so 😊

REFEREE INFORMATION

- **Technical Commissioner**
 - John Bartlett
- **Mouthguards**
 - as per the BBNZ policy these should be worn at all times. We will be working with coaches and management on this and will only at a last resort, sub players out (which will not be occurring at the end of the game)
- **Uniforms**
 - In the event of a clash – team A will need to wear a light strip. However, we ask that both teams work together to ensure we do not have to resort to this rule. A clash is only similar colours not two dark or light shades
 - Undergarments – FIBA has recently changed the rules in regards to undergarments. All compression garments are now allowed, but all players on the team must have the same colour. Only compression garments are permitted, not T-shirts, etc.
- **Behaviour**
 - Coach, Player and Supporter behaviour. As per the BBNZ Code of Conduct, poor behaviour will not be tolerated. A reminder that we all have an onus to present the best possible image of our sport.

Referee info continued

- **Team management roles – The technical rules are**
 - The Head Coach is the only team manager who can by rule speak to the referee. In doing so this is to ask a question in a dead ball situation.
 - The Assistant Coach may only stand if the Head Coach is sitting and can only speak to their players (not the referees).
 - Team management can approach the score table in a dead ball situation if any questions. However, if there is a concern, the Head Coach needs to raise this with the referees (in a polite manner in a dead ball opportunity). Please ensure that you raise concerns asap, as some errors are only correctable in a limited time period.
- **Game Protests**
 - Once the scoresheet is signed by the referees, then the final noted game score stands. There are no game protests, please be aware of the rules above when you have a score or bench concern.
- **Judicial**
 - For any Judicial Matters, please speak to Basketball New Zealand Staff.
- **Ejections**
 - Due to a disqualifying foul, will also be looked at. (These differ to someone who has had a game disqualification as a result of 2 technical fouls or unsportsmanlike combo)

- NO BBNZ GEAR (while coaching)
