Withdrawals

BBNZ has introduced the following process to discourage Schools from withdrawing:

- Schools that withdraw their team(s) after the first registration due date or after qualifying for the national championship, will not be guaranteed a place in a tournament the following year. This is in addition to the already outlined financial penalties in the BBNZ Privacy and Returns policy.
- The following year, regardless of whether the registration has been completed by the due date and payment has been made in full, the registration will be placed on the waiting list.

This process is to help Schools ensure they are organised and have registered in the correct tournament.

Team Roster

Please ensure that all of your players are registered and are eligible to compete in the tournament (eligibility rules below). All teams and players must comply with BBNZ Regulations, as well as School Sport NZ rules, eligibility and regulations. A maximum of 12 players can participate in the tournament and the final 12 players must be confirmed at the technical meeting that will be held before the tournament begins. No changes may be made after this date and time, and any changes must be accompanied by a signed roster form from the school principal.

Eligibility

The school principal must verify that all students listed on the team roster are bona-fide fulltime students at the school, and that their details provided are true and correct as per the MoE ENROL and official school records. School Sport NZ eligibility regulations are noted below:

Consent	Please be aware, by entering your teams in this event and by signing this form, you acknowledge that players and team management may be photographed, livestreamed and broadcast to the public through channels including social media, for purposes such as informing the public, promulgating news stories, and promoting basketball. If you have any questions or wish to discuss this, please contact tournaments@nz.basketball as soon as possible. It is the responsibility of the entering school to acquire appropriate parental/guardian consent for such broadcasts in accordance with school policies. Please note junior teams will not be livestreamed.
Note 1	1. A student enrolled at the school <u>within 2 years of the first day of the event</u> is considered NEW TO SCHOOL. The student's <i>most recent enrolment date must be used and must match MoE ENROL records.</i> The "event" includes all qualifiers. Students who begin at the school in Year 9 are exempt. 2. A maximum of 2 New To School Students per team are permitted
Note 2	2. Please indicate 'Yes' if a student started classes on or after 27th August 2020 . Indicate any who are exempt from the SSNZ 'new to school' quota because: a) s/he is in Year 9 or in the first 12 months above the entry level at a restricted entry school (e.g. girls only from Year 12) and has not competed at this event for his/her previous school or

Scorebench Duty

The scorebench roster (once completed) will be available on the BBNZ website. All teams will be required to complete their scheduled scorebench duty after their game. Please provide four competent score bench personnel and BBNZ and the tournament hosts will make every effort will be made to assist teams when able. The Host will cover scorebench for opening games each day and other games outlined in the roster. If you have any queries, please contact the Host Association.

Referees

It is **COMPULSORY** for teams to provide a referee. If a team fails to provide a referee for any of their rostered games, that school will not be able to enter the tournament next year.

A reminder that this rule has been in effect for many years now and is essential to ensure all games are adequately serviced.

On Day 1 of the tournament, your team will be rostered to referee as nearest to your playing time as possible. This roster will be included in the draw closer to the start of the tournament.

Your allocated referee will need to meet with the Technical Commissioner on arrival at the tournament, and they will then work with them to allocate their games for the remainder of the tournament.

Ideally, we would like referees to wear the official referee uniform – black pants and a grey refereeing shirt. However, we understand some teams will be using team members for the role who may not have this. Please endeavor to have a grey t-shirt, or at the very least a couple of shirt options to avoid any clash with team uniforms.

A reminder that game fees are not paid, and referees are the responsibility of their respective school.
