## 2024 'A' Secondary Schools Nationals

### Welcome from Basketball New Zealand

---

*A warm welcome to everyone attending the 2024 Secondary Schools National Championships in Palmerston North.*

*BBNZ sees the Secondary Schools Nationals as a key event on the New Zealand age group basketball calendar. And for thousands of young ballers across Aotearoa, it's the culmination of a fun and rewarding year of basketball - where squads compete to lay claim as to whose school is the best!*

*It's also a great opportunity for BBNZ to witness some of the Kiwi hoops stars of the future, as they compete against their peers in the pinnacle event of this age group. Each year we're seeing players in this age group continue to grow in terms of talent, which always bodes well for our future Tall Ferns and Tall Blacks programmes – which many athletes aspire to. Many players have used a successful showing at this Secondary Schools Nationals as a launching pad for achieving their sporting goals; whether it's a US college scholarship or a professional career either here in Aotearoa or overseas.*

*This competition isn't just about basketball either; it's a chance to be make new friends, reconnect with their peers from around the country, and to enjoy the excitement and the fun of this large-scale national competition. Thanks goes to everyone involved in this tournament, from the players and coaches to the managers, officials, volunteers, parents and other supporters - your participation, commitment, passion and contribution is vital to this sport and should not be overlooked.*

*As basketball continues to grow in New Zealand as one of its leading sports, we know the Secondary Schools Nationals helps to play a major role in its continued growth and success. Best wishes for a successful and fun tournament!*
