• **AWARDS FOR THE FOLLOWING**

- Medals and Trophy for Champions of each gender x 16
- Medals and Trophy for Runners up of each gender x 16
- Grand Final officials x2 per Final

REFEREE INFORMATION

- **Technical Commissioner**

- **Matt Cursons**

- **Impartiality of referees**

all refs are considered impartial. In some instances we have had to have referees officiate their own teams

- **Mouthguards**

- this is responsibility of team management to ensure all players wear. If there are any issues with this, the referees will speak to the player and if they persist management for support. As a very last option the player may be subbed for a play phase

- **Uniforms**

- In the event of a clash – team A will need to wear a light strip. However, we ask that both teams work together to ensure we do not have to resort to this rule. A clash is only similar colours not two dark or light shades
 - Undergarments – Compression Garments are allowed, but all players on the team must have the same colour. Only compression garments are permitted, not T-shirts, etc.

- **Behaviour**

- Coach, Player and Supporter behaviour. As per the BBNZ Code of Conduct, poor behaviour will not be tolerated. A reminder that we all have an onus to present the best possible image of our sport.

Referee info continued

- **Team management roles – The technical rules are**

- The Head Coach is the only team manager who can by rule speak to the referee. In doing so this is to ask a question in a dead ball situation.
- The Assistant Coach may only stand if the Head Coach is sitting and can only speak to their players (not the referees).
- Team management can approach the score table in a dead ball situation if any questions. However, if there is a concern, the Head Coach needs to raise this with the referees (in a polite manner in a dead ball opportunity). Please ensure that you raise concerns asap, as some errors are only correctable in a limited time period.

- **Game Protests**

- Once the scoresheet is signed by the referees, then the final noted game score stands. There are no game protests, please be aware of the rules above when you have a score or bench concern.

- **Judicial**

- BBNZ Staff will not be on-site during Winter Tournament Week.
- For any Judicial Matters, please contact the BBNZ Complaints Officer (CO), name and contact details TBC.

- **Ejections**

- Due to a disqualifying foul, will also be looked at. (These differ to someone who has had a game disqualification as a result of 2 technical fouls or unsportsmanlike combo)

Zero tolerance for inappropriate behaviour - working together we hope to avoid further actions:

- Coaches, Managers, Players and spectators' inappropriate behaviour will not be tolerated and those who show poor behaviour will be removed from the stadium for the remainder to the tournament.

- Floor controller (FC) or nominated person (NP) observes behaviour either after complaint is made or in passing.
- If the behaviour is deemed inappropriate, the FC or NP has a quiet word with the offender –either during or post-match.
- If the behaviour continues or the offender responds poorly after the quiet word, the FC or NP gives offender a final chance to calm down and the school representative will be notified.
- If the behaviour persists, the offender is asked by the FC or NP to leave the premises for the day.
- If the offender returns within the period of exclusion or continues bad behaviour after the being asked to leave the premises, they are to be removed by security or police and trespassed.
- The team management of the offender will be notified of the incident and will be asked to speak with the offender. This could happen at any point through this process.
- An incident report will be lodged by the FC or NP. The report will be sent to the offenders Association/School and BBNZ for future reference.
