## TECHNICAL COMMISSIONER

- **Devina Banks**

- **Impartiality of referees**

all refs are considered impartial. In some instances we have had to have referees officiate their own teams

- **Mouthguards**

- this is responsibility of team management to ensure all players wear. If there are any issues with this, the referees will speak to the player and if they persist management for support. As a very last option the player may be subbed for a play phase

- **Uniforms**

- In the event of a clash – team A will need to wear a light strip. However, we ask that both teams work together to ensure we do not have to resort to this rule. A clash is only similar colours not two dark or light shades
- Undergarments – Compression Garments are allowed, but all players on the team must have the same colour. Only compression garments are permitted, not T-shirts, etc.

- **Behaviour**

- Coach, Player and Supporter behaviour. As per the BBNZ Code of Conduct, poor behaviour will not be tolerated. reminder that we all have an onus to present the best possible image of our sport.

## GAME PROTESTS

• Once the game on the iPad has been finalised, then the final noted game score stands. There are no game protests. If you believe the score is wrong, please have your players alert the referees so they can stop the clock and discuss it, or go get the Floor Controllers or TC so they can sort it out.

## JUDICIAL

- BBNZ Staff will not be on-site during Winter Tournament Week.
- For any Judicial Matters, please contact the BBNZ Complaints Officer (CO), Garratt Williamson via [Garratt@nz.basketball](mailto:Garratt@nz.basketball).

## EJECTIONS

• Due to a disqualifying foul will also be looked at. (These differ to someone who has had a game disqualification as a result of 2 technical fouls or unsportsmanlike combo)

- **NO coaching allowed during games.**
  - Coaches must be in the stands away from the game
- Dress in school branded gear if possible
- Dress appropriately and to a high standard.
  - This does not mean you have to wear a suit or dress shoes

Zero tolerance for inappropriate behaviour - working together we hope to avoid further actions:

- Floor controller (FC) or nominated person (NP) observes behaviour either after complaint is made or in passing.
- If the behaviour is deemed inappropriate, the FC or NP has a quiet word with the offender –either during or post-match.
- If the behaviour continues or the offender responds poorly after the quiet word, the FC or NP gives offender a final chance to calm down and the school representative will be notified.
- If the behaviour persists, the offender is asked by the FC or NP to leave the premises for the day.
- If the offender returns within the period of exclusion or continues bad behaviour after the being asked to leave the premises, they are to be removed by security or police and trespassed.
- The team management of the offender will be notified of the incident and will be asked to speak with the offender. This could happen at any point through this process.
- An incident report will be lodged by the FC or NP. The report will be sent to the offenders Association/School and BBNZ for future reference.
