MEDIA / LIVESTREAMING OPT-OUT

Schools may choose to opt out of livestreaming or media coverage for individual students or the entire team on the grounds of student wellbeing or safety. Where a school elects to opt out, event providers must ensure that the student/team is not included in any broadcast, livestream, promotional content, or on-court/field microphones.

☐ Our school elects to opt this team out of all livestreaming and media coverage.

Where a school, team, or individual is opted out, the Event Provider must ensure that no member of the team or individual appears in any livestream, broadcast, recording, promotional content, or other media capture. This opt-out must not result in any disadvantage to the team or individual regarding scheduling, seeding, or draw allocation.

GLORY LEAGUE VIDEO RECORDING & VIDEOING FOR TEAM USE OPT-OUT

Schools may choose to opt out of Glory League Video Recordings for the team on the grounds of student wellbeing or safety. Where a school elects to opt out, event providers must ensure that the team does not appear in any Glory League game footage, recordings, promotional material, or related video content.

Basketball New Zealand uses Glory League only at venues which have the appropriate equipment installed.

It is important to note that if the school is electing to opt out of Glory League recordings, their players will not receive any of their game footage for the tournament. However, Basketball New Zealand will still record games as this is required for any on court incidents that could potentially result in a judicial hearing as per Book 6 of the BBNZ Regulations. If a school has opted out of Glory League, these recordings won't be made public.

TEAM SCOUTING

Please note that if you choose to opt out of Glory League Video Recording, you will also be opting out of the ability to record your own games for coaching, scouting or any other purpose. In addition, other teams will not be permitted to record games involving your team either.

If you opt in to Glory League recording, you will be able to record your own games, and other teams will also be permitted to record games involving your team.

☐ **Our school elects to opt this team out of all Glory League Video Recording Footage – please note this includes opting out of being able to record your own games, and other schools not being able to record the games either.**

Where a school, team, or individual is opted out, the Event Provider must ensure that no team appears in any livestream, broadcast, recording, promotional content, or other media capture. This opt-out must not result in any disadvantage to the team or individual regarding scheduling, seeding, or draw allocation.
