- **Mouthguards**

- **Uniforms**
 - In the event of a clash – team A will need to wear a light strip. However, we ask that both teams work together to ensure we do not have to resort to this rule. A clash is only similar colours not two dark or light shades
 - Undergarments – Compression Garments are allowed, but all players on the team must have the same colour. Only compression garments are permitted, not T-shirts, etc.
- **Behaviour**
 - Coach, Player and Supporter behaviour. As per the BBNZ Code of Conduct, poor behaviour will not be tolerated. A reminder that we all have an onus to present the best possible image of our sport.

Referee info continued

- **Team management roles – The technical rules are**
 - The Head Coach is the only team manager who can by rule speak to the referee. In doing so this is to ask a question in a dead ball situation.
 - The Assistant Coach may only stand if the Head Coach is sitting and can only speak to their players (not the referees).
 - Team management can approach the score table in a dead ball situation if any questions. However, if there is a concern, the Head Coach needs to raise this with the referees (in a polite manner in a dead ball opportunity). Please ensure that you raise concerns asap, as some errors are only correctable in a limited time period.
- **Game Protests**
 - Once the scoresheet is signed by the referees, then the final noted game score stands. There are no game protests, please be aware of the rules above when you have a score or bench concern.
- **Judicial**
 - For any Judicial Matters, please speak to Basketball New Zealand Staff.
- **Ejections**
 - Due to a disqualifying foul, will also be looked at. (These differ to someone who has had a game disqualification as a result of 2 technical fouls or unsportsmanlike combo)
