Technical Meeting

There will be no technical meeting this year for the AA Zone 4 Premierships. Current team rosters will be sent out to schools in the week leading up to the tournament start date for review, with the final team rosters confirmed no later than 48 hours prior to the tournament start date. After this point, no further roster additions can be made.

As per BBNZ Regulations in Book 4 2.7(k) "For BBNZ Competitions (excluding BBNZ Leagues), once a Team's first game commences, only the playing roster confirmed 48 hours prior to the tournament tipping off for that team may participate in the remainder of that competition as players."

It is also worth noting that, if you have players attending another Winter Tournament week sport, and they will only participate in 1-2 days of competition for you, they still need to be on the signed roster form and registered on GameDay. Failure in doing, will result in them not being able to participate in the tournament.

Score Bench Duty

Your team will be rostered to complete scorebench duty. Please provide four competent score bench personnel for your duty. Every effort will be made to assist teams when able. As Host, Harbour Basketball will cover the opening and closing games each day plus the semi-finals and finals.

In addition to this, the tournament will be using the GLORY LEAGUE Scoring app to score games. If your team is not familiar with the app, please have a look at the following resources.

Remember to upskill team management and parents on the latest scorebench rules. We suggest a minimum of 4 bench personnel when covering a scorebench duty. Always leave the iPads on charge, and do not use your phone while scorebenching. Adult supervision of players on a scorebench is required.

Referees

Every team must supply a referee for the tournament. This is a condition of entry and there will be penalties for those who fail to supply a referee. A referee's roster will be completed for the first day of the tournament, after which the Technical Commissioner (Campbell Marsters) will assess the referees on their confidence and capability and assign them to games for the rest of the tournament. When your referee first arrives at the venue, we request they introduce themselves to the Technical Commissioner.

Your referee will not be assigned a game while your team is playing but should be available for the rest of the tournament and may be required to do the game directly before or after when your team plays.

Uniforms

- Each team must bring two alternate uniforms to the tournament. Teams shall use numbers 0 and 00 and from 1 to 99.
- In the event of a uniform clash Team A wears their light-colored uniforms and Team B is to wear their dark-coloured uniforms, unless both teams come to a mutual agreement.

- Mouthguards are compulsory for all players, The No Mouthguard, No Play Policy is to be firmly enforced.

Behaviour

At Basketball New Zealand, our values guide everything we do:

- MANA | Respect – We treat others with fairness, kindness and care. This creates a safe, supportive and inclusive space for everyone.
- TIKA | Integrity – We act with honesty and fairness. We take responsibility for our actions and always aim to do the right thing in our work and decisions.
- HONO | Connected – We stay connected by communicating clearly, working together, and backing each other to succeed. We're stronger when we support each other.

These values shape how we behave, and help us create a safe, inclusive and positive environment. This Code of Conduct sets out the standards of behaviour expected from everyone in basketball – players, coaches, referees, volunteers, staff and supporters.

By living our values and following our Code we can make sure basketball stays a sport where everyone feels welcome, respected, and safe. It also helps us protect the reputation of BBNZ and our wider basketball community.
