CLASSIFICATION / STANDING OF TEAMS

CLASSIFICATION OF TEAMS

- FIBA Rules will be used

GAME POINTS

- 2 points for a win
- 1 point for loss/default (fewer than 2 players on the playing court ready to play.)
- 0 for forfeit of Game & \$500 fine (20-0 scoreline)

CLASSIFICATIONS

- 2 way tie – head to head result between the teams
- 3 or more way tie – head to head result between the team tied, if they have the same win/loss then points difference will be used – points for minus points against (ONLY IN GAMES BETWEEN THE TIED TEAMS)
- Further criteria is applied after that.

ZONE DEFENSE

ZONE DEFENSE

- **NO TEAMS ARE ALLOWED TO PLAY ZONE DEFENSE AT THIS TOURNAMENT**
- Zone Busters have been appointed
 - It is acknowledged that zone rules can be subject to interpretation, and there are certain scenarios which can lead to teams inadvertently playing a zone. So coaches must understand the complexities of this rule.
- At BBNZ Tournaments, the process to ensure compliance with this policy is:
 1. If a coach feels that their opponent is playing zone defense, they approach the Basketball Otago Tournament organisers.
 2. The Zone Buster will watch the play and determine if a zone is in fact being played.
 3. If the Zone Buster believes a zone is being played, they will instruct the referees to issue a warning to the coach of the team playing a zone in the first instance.
 4. Further violations will result in the Zone Buster instructing the referees to call a technical foul against the coach.

More information about Zone Defense can be found on the BBNZ website [here](#).

COACH INFORMATION

- No coaches are to wear BBNZ gear while coaching.
- Please wear your association branded gear.
- No caps or beanies allowed to be worn while coaching.

Coaches Code of Conduct (Book 6, Page 20)

- Coaches shall conduct themselves in a manner that reinforces their place as leaders and role models, and encourage positive communication between themselves and players, referees, administrators and the general public.
- Coaches are to approach referees in a courteous and reasonable manner.
- Head coaches shall not encroach onto the playing floor during the course of a game or move out of the coach's box while the game is in progress.

MOUTHGUARDS

- As per the BBNZ policy mouthguards should be worn at all times. We will be working with coaches and management on this and will only at a last resort, sub players out.

UNIFORMS

- In the event of a clash – team A will need to wear a light strip. However, we ask that both teams work together to ensure we do not have to resort to this rule. A clash is only similar colours not two dark or light shades
- Undergarments – no t-shirts or long sleeve tops. Compression tops or pants may be worn but they must be of the same dominant colour for the team.

BEHAVIOUR

- Coach, Player and Supporter behaviour. As per the BBNZ Code of Conduct, poor behaviour will not be tolerated. A reminder that we all have an onus to present the best possible image of our sport.

AWARDS

- Regional Championship Winner: championship trophy, medals
- Regional Championship Runner up: runner up trophy, medals

REFEREE INFORMATION

- All referees are considered impartial.
- Referees need to bring their own whistle and referee shirt if they have one.
- All teams are to provide a referee for their team who needs to be available for the duration of the WHOLE tournament.
- If there are any clashes or I need to be aware of things, please let me know asap.
- Referees' Lounge – Lounge Two
- Referee draw will be shared via a Whatsapp group and in the Referees' Lounge.
- Lunch and snacks will be provided each day for referees.
- WhatsApp group available [here](#).

REFEREE INFORMATION

TEAM MANAGEMENT ROLES – THE TECHNICAL RULES ARE:

- The Head Coach is the only team manager who can by rule speak to the referee. In doing so this is to ask a question in a dead ball situation.
- The Assistant Coach may only stand if the Head Coach is sitting and can only speak to their players (not the referees).
- Team management can approach the score table in a dead ball situation if any questions. However, if there is a concern, the Head Coach needs to raise this with the referees (in a polite manner in a dead ball opportunity). Please ensure that you raise concerns asap, as some errors are only correctable in a limited time period.
- Score bench – Manager or coaching staff can only approach the score bench in a dead ball situation. If there are issues with scores / fouls etc, please alert the referee asap.

GAME PROTESTS

- There are no game protests.

JUDICIAL

- For any Judicial Matters, please reach out to the Technical Commissioner and Tournament Director, who will escalate it further if need be.

BEHAVIOUR

- Floor controller (FC) or nominated person (NP) observes behaviour either after complaint is made or in passing.
- If the behaviour is deemed inappropriate, the FC or NP has a quiet word with the offender – either during or post-match.
- If the behaviour continues or the offender responds poorly after the quiet word, the FC or NP gives offender a final chance to calm down.
- If the behaviour persists, the offender is asked by the FC or NP to leave the premises for the day.
- If the offender returns within the period of exclusion or continues bad behaviour after the being asked to leave the premises, they are to be removed by security or police and trespassed.
- The team management of the offender will be notified of the incident and will be asked to speak with the offender. This could happen at any point through this process.
- An incident report must be lodged by the FC or NP. The incident report must be send to the offenders Association/School and BBNZ for future reference. Where a written trespass notice is given, an incident report is not required.
